Thank You

Thank you for joining us tonight at our Spring Concert, celebrating the wonderful achievements of the Vocal Music Department at Dos Pueblos High School. Your presence means the world to us, and we're truly delighted to have you here sharing this special evening.

We're thrilled to share that our A Cappella and Jazz Choir recently participated in two festivals: the Santa Cruz Jazz Festival and the Oceanside Jazz Festival. Both experiences were incredibly rewarding, culminating in excellent and superior scores. These achievements are a testament to the dedication of our students and wouldn't be possible without your encouragement and support.

As we continue to strive for excellence in our vocal music department, we humbly invite you to consider contributing to our cause. Donation boxes are conveniently located in the lobby, or you can show your support by donating directly through our website - www.dpjazzchoir.com

Once again, thank you for your generosity and unwavering support. Together, we create unforgettable musical experiences.
